FOUNDER CHAIRMAN

Sri JAYABARATHAN CHELLIAH, M.A. (U.S.A), B.Ed.,

Sri Jayabarathan Chelliah was the Founder-Chairman of Mount Zion Christian Education Trust. Under his able leadership, the first school, which began in 1988, grew into many institutions. He held a Bachelor's Degree in Science from Alagappa University, Karaikudi, Tamil Nadu, and a Bachelor's Degree in Education from Calicut University, Kerala. He graduated with a Master's Degree in Educational Administration from the prestigious Loma Linda University, California, U.S.A., in June 1978. He was also an honored alumnus of Loma Linda University. Additionally, he received the Dr. Radhakrishnan (Nallasiriyar) Award from the Government of Tamil Nadu. The institutions he initiated will continue to strive to reach the lofty ideals he envisioned.

From the Desk of Director

Dr. JAYSON KEERTHY JAYABARATHAN, M.Tech.,Ph.D.,

By the grace of God, the college has grown from strength to strength this year as well. In addition to the many programmes conducted regularly, the college has received a significant facelift. I would like to thank all the students who pitched in and devoted their time and energy to beautifying the campus.

Let us resolve this year to make our surroundings more beautiful. Money is not always required to enhance our environment; a sincere attitude and collective effort can make a big difference.

The attitude of many modern businesses toward the environment can be summed up by the following quote: "If people destroy something replaceable made by mankind, they are called vandals; if they destroy something irreplaceable made by God, they are called developers." Let us not be selfish engineers, but strive to protect the Earth for future generations. Let us keep our home—planet Earth—beautiful.

I would like to commend the magazine team for their hard work and dedication. Their efforts have resulted in the publication of this beautiful magazine. I pray that God will continue to shower His blessings on this institution, and may it continue to grow and serve both society and the nation as a whole.

From the Desk of Principal

Dr. P. BALAMURUGAN M.E., Ph.D.,

It is a great pleasure to pen a few lines in Pinnacle 2025, a beautiful presentation of Mount Zion's activities. The college has grown by leaps and bounds over the past year, and this remarkable progress is evident as we reflect on the various initiatives undertaken throughout the year.

Many parents have chosen Mount Zion for their children's education, as this reputed institution imparts quality education and self-discipline. These hallmarks of Mount Zion play a vital role in shaping individuals into well-rounded human beings.

New avenues are being explored, and Mount Zion is looking forward to signing MoUs with reputed companies and institutions, initiating many meaningful and symbiotic projects.

As Mount Zion CET marches into a new academic year, it may grow from strength to strength and add many more feathers to its cap. I congratulate the magazine team for their dedicated efforts to bring out this beautiful journal.
